ABOUT US

Education Mobility Grid (EMG) is an educational consultancy group with offices in Germany and the Netherlands, dedicated to providing cutting-edge educational solutions tailored to the needs of both individual and institutional clients.

Our mission is to empower individuals and organizations to make positive change through education.

Our aim is to provide the best educational solutions that are tailored to the needs of each student and to select academic institutions which are the 'best match', so that each student will achieve his/her potential and succeed both academically and socially.

We provide guidance for studying in Europe with special focus on Germany in 2023.

REMARKABLE OPPORTUNITIES

TOP 5 REASONS TO STUDY IN GERMANY

1. Outstanding European Education
2. English taught Programs
3. No tuition fees at German Public Universities
4. Large number of International Students
5. Excellent career prospects

We select Universities that are the 'best match', because we want you to feel secure and confident in the entire cycle of the University life, achieve your full academic and personal potential.

We are committed to provide you with great value and excellent communication.

SCOPE OF SERVICES

1. Researching and applying at the 3 preferred Universities for the preferred course in Germany to receive admission letter (if there are no preferences, we choose the 3 most suitable universities and course according to the students skills and qualifications)
2. Assistance to seek accommodation
3. Assistance for language courses
4. Assistance for visa requirements, bank requirements (blocked account) and health insurance

INTERNATIONAL STUDENTS IN GERMANY NEED:

- 10332€ in a blocked account to cover living expenses for the first year, such as rent, health insurance, nutritional expenses etc. This is your own blocked account.
- Even though most German universities are tuition free, students need to pay each semester a so called “semester fee” of approximately 350€. The first time it needs to be paid to the University, before the arrival and after the receipt of the admission letter. The following semester fees can easily be paid from the blocked account money directly to the University.
- The duration of the process for admission in State/Public (tuition free) Universities in Germany 2022 is approximately 2-3 months depending on the starting date of the course in the University.

OUR SERVICE FEE

- 1st down payment: 1100€ - For the submission and complete application at a German university. This down payment/advance payment is not refundable. If no admission is secured (which is rare, since the admission success rate is over 95%) the same application process will be done for for the upcoming semester without any extra costs.
- 2nd instalment: 650€ – After successful admission in a University. This payment is to be done only after we send you the admission letter.

REQUIRED DOCUMENTS

- Copy of High School/ A-levels certificates
- Bachelors degree certificate (if completed)
- Copy of passport
- **Copy of English proficiency certificate:** IELTS/TOEFL certification to ascertain your English proficiency (at least B2 level)
- **Copy of German proficiency certificate:** German certification (CEFR) for courses in German (C1 level is mandatory).
